SSBA Thanks Minister Morgan, Welcomes Minister Eyre

REGINA – The Saskatchewan School Boards Association (SSBA) extended its sincere thanks to outgoing Minister of Education Don Morgan and offered congratulations and welcome to incoming Minister of Education Bronwyn Eyre after a cabinet shuffle was announced on Wednesday.

“We thank Minister Morgan for his service to the province of Saskatchewan and its students during his time as Minister of Education,” said Dr. Shawn Davidson, SSBA President. “We wish him all the best in his new role as Minister of Justice and Attorney General, in addition to his continuing roles as Deputy Premier and Minister responsible for Labour and the Workers’ Compensation Board.”

Davidson also congratulated and welcomed incoming Minister Eyre, who is also Minister responsible for the Status of Women. He noted her history of past service to the K-12 education sector in Saskatchewan as a locally elected school board trustee.

“We look forward to working with Minister Eyre to advance the important efforts happening in our sector to support our province’s students,” said Davidson. “The SSBA and its member boards believe all students should have the resources they need to succeed and achieve, regardless of where they live in the province or their personal circumstances. Education is an investment in our future.”
