

BOARD MEMBER VISITS TO SCHOOLS

In order to perform their role as trustee, Board members will have occasion to visit schools throughout the division. The Board members will adhere to the following guidelines during their visitations:

1. The principal of the school will be contacted in advance when the Board member chooses to attend the school while serving as a representative of the Board.
2. During visits to schools, Board members will insure that they are conducting themselves in a manner that is consistent with their Board governance role.
3. The Director of Education will be informed of any governance issues that may arise during Board member visitations so they can be addressed by the whole Board at a regularly scheduled Board meeting.
