

Candidate Profile Statement – Barb Stamatinos

I am seeking to serve a term on the Good Spirit School Division Board because I feel my skills and experience would contribute to the success of our school division. As a long time resident of the Yorkton area I take deep pride in our community and schools, having received a strong educational foundation in our GSSD schools, then completing my Bachelor of Commerce degree from the University of Saskatchewan in 2006. I resided in Yorkton until 2016, when I moved to rural Jedburgh. Having lived in both the city and the rural region gives me a unique perspective for this position and I would be a strong advocate for the surrounding rural communities. I am willing to give my best effort to ensure that all current and future students have a high quality education and that the rural voice is at the table.
