

## Candidate Profile Statement – Jade Anderson

I am excited to serve as your elected representative for the Good Spirit School Division again this term! I live on an acreage between Stockholm and Esterhazy with my husband and 16-month old daughter who will go to MacDonald and Esterhazy High Schools. I am currently a stay-at-home-mom while completing a PhD in Public Policy (U of R). I have a Masters in Psychology (U of S) and previously worked as a Research Facilitator for the Centre for Health Research and Scholarship at Saskatchewan Polytechnic. I also compete nationally in Dressage and am involved in numerous community initiatives. If re-elected, I will continue to advocate strongly for rural education and represent the needs and values of MacDonald, PJ Gillen, and Esterhazy High Schools at the division level. I am always open to community conversations and value evidence-based practice, transparent decision making, inclusive classrooms, flexible learning options, and mental health.
