Attention Parents/Guardians of Good Spirit School Division Students:

Student safety and well-being is a top priority for Good Spirit School Division. We are aware of information circulating social media regarding a disturbing and dangerous challenge and we are working with our RCMP partners to understand any potential safety risk.

We encourage parents to closely monitor and have discussions with their children about safe online behavior.

The following tips may be helpful:

- Closely monitor your child's internet use;
- Try to have your child in the same room while on-line and discourage the use of headphones;
- Discuss with your child what content might not be suitable to watch and share;
- Regularly monitor your child's browsing history;
- Encourage your child to let you know if they see something worrisome; and,
- Stress to your child not to give out any identifying information online.

The RCMP will be our best source for up to date, factual information. RCMP alerts and statements regarding this or other concerns will be shared at [www.gssd.ca](http://www.gssd.ca).

Sincerely,

Quintin Robertson  
Director of Education
