January 10, 2022

Yorkton Regional High School Staff & Families,

Good Spirit School Division and Yorkton Regional High School Administration met to review the large number of positive cases reported. The decision has been made to move all Grade 9 to 12 classes to remote instruction.

All Grade 9 to 12 classes will be cancelled on Tuesday, January 11, 2022. Mandatory remote instruction will occur for Grade 9 to 12 students beginning on Wednesday, January 12, 2022, to Friday, January 21, 2022. Tentative face-to-face instruction will resume on Monday, January 24, 2022. The remote instruction end date will be reviewed on Friday, January 21, 2022; further communication will be provided at the end of that day.

Students in Mrs. Szabo’s class will receive information from the Homeroom Teacher, before the end of the day on Tuesday, outlining the plan for engaging in remote learning.

All YRHS extra-curricular activities will be paused on Tuesday, January 11, 2022, to Friday, January 21, 2022. The return of extra-curricular activities will be decided on Friday, January 21, 2022.

Classroom teachers will take attendance at the beginning of each class, starting on Wednesday, January 12, 2022. If students are unable to join the virtual class, please report the absence as you normally would. The YRHS Administration will continue tracking all positive COVID-19 results, therefore ensure that this information is shared with the school in a timely fashion.

Also, the Saskatchewan Health Authority (SHA) has declared an outbreak at the Yorkton Regional High School. Notification from SHA will follow. Students, staff, and family members may provide outbreak code: SHR-2022-006, at the testing site as this will expedite testing.

The SHA would like our help with continuing to do our part in stopping the spread of COVID-19 by following Provincial regulations and encouraging all students and staff to remain at home when showing the slightest symptom of COVID-19.

This decision was made with good intentions in mind...to keep students and staff safe and healthy.

Sincerely,
