

November 20, 2020

Dear GSSD Parents/Guardians,

Following the COVID-19 additional Public Health measures announcement, Director Quintin Robertson consulted with Good Spirit School Division Administrators, Local Collective Group Chairpersons, Board of Education Trustees, and Senior Leadership to determine the need to introduce personal protective equipment used in the lower grades.

Good Spirit strongly **encourages** Kindergarten to Grade 3 students to follow the Grade 4 to 12 personal protective equipment protocol by wearing a mask while at school. With the rise in positive COVID-19 cases in Saskatchewan, additional protective measures may reduce transmission risk. For many families, this will not be a change in practice.

We would also like to remind families that all Kindergarten to Grade 12 students who ride the bus are **required** to wear a mask while being transported. Exceptions to the face mask provisions are determined on a case by case basis. Any medical accommodations will be considered in consultation with the Transportation Manager and the In-school Administrator.

On behalf of the Division, I would like to thank you for your patience during this extraordinary time and wish you all good health!

Sincerely,

Quintin Robertson
Director of Education/CEO
Good Spirit School Division No. 204
