

April 13, 2021

Dear Parent/Guardian,

On April 9, 2021, you were made aware that remote instruction at Canora Junior Elementary School would continue until Tuesday, April 13, 2021.

Today, GSSD and CJES Administration met with Public Health to review the return to face-to-face instruction date. I am pleased to announce that Public Health has confirmed that there have not been any additional positive COVID-19 cases identified in individuals connected to Canora Junior Elementary School therefore, **face-to-face instruction will resume on Wednesday, April 14, 2021. Individuals who have been directed by Public Health to remain at home, must follow their direction.**

Upon return to school, students are asked to continue following the GSSD health and safety guidelines, including wearing masks, following hand hygiene practices, and physical distancing. Medical grade disposable masks will be available at the school for students to use if they wish.

**The SHA would like our help with continuing to do our part in stopping the spread of COVID-19 by following Provincial regulations, limiting social connections at all times, and encouraging everyone to remain at home when showing the slightest symptom of COVID-19.**

We would like to assure families that the GSSD facility disinfecting, and cleaning protocols have been and will continue to be followed.

Sincerely,

Quintin Robertson  
Director of Education/CEO  
Good Spirit School Division No. 204
