Thanks to all of our families for an amazing year at Dr. Brass School.

We have worked hard promoting Safety, Respect, and Responsibility.

We firmly believe that all students can READ, that reading is a ticket to bright future and family involvement leads to reading success. Please take advantage of the Summer Reading contest in GSSD.

As a staff we have focussed in on WHY we work at school. We agree that we are building Relationships, Life-Long skills, and Literacy everyday with our students and our colleagues.

I wish everyone a safe and happy summer.
