

Supply List for ESTERHAZY HIGH Students

In response to questions from parents about what supplies are needed in the upcoming school year, this list has been created in consultation with teachers. It is not intended to cover all the items your students may need, but should make sure they arrive with all the basics. The "Must Have" sections lists what is necessary from day one. The "Nice to Have" section lists things that might be specific to subject areas of a specific age group. Don't feel you must have all these items unless your student's course load calls for them.

Must Have:

binders (up to 5 -1 per subject), pens (blue and red)
pencils and erasers, loose leaf paper
dictionary, ruler
pencil crayons, scissors
calculator, pencil case

geometry set, headphones or ear buds for music USB drive

For P.E. Classes: a t-shirt, shorts or sweatpants, runners, duo tang or small binder

For Senior math and science classes a two line display Scientific Calculator

Nice to Have:

French / English Dictionary, glue sticks

Highlighters, Post it Notes or Flags

dividers, black sharpies

The following is specific to individual senior classes Foundations of Math 30

FM30 students graphing calculators may be leased for \$25.00 from the library. This is non-refundable. FM30 students may also purchase their own TI83 plus or TI84 calculators
