

***Please support the
EHS Football Field & Track
Upgrade!***

Dear Potashville Area Businesses, Individuals, Families, and Football Alumni:

The Esterhazy football field and track has been in desperate need of upgrades for years and lacks proper drainage making it difficult to use much of the time. Esterhazy is the hub of our junior and senior football program drawing students from Stockholm, Dubuc, Atwater, Langenburg, Churchbridge, Gerald, Yarbo, Spy Hill, and Tantallon. We also host an annual district track meet in Esterhazy for students from these communities as well.

We are very thankful for Mosaic's \$50,000 donation to get us started! This exciting project includes excavation of the existing field with proper grading, drainage, and compaction; and installation of a pop-up sprinkler system. Materials required include top soil, grass seed, concrete, and shale. To date, the field has been professionally surveyed, specifications have been received, and we are in the process of inviting local tenders for a general contractor. This is estimated to be approximately \$200,000; therefore, we are very grateful for any donations in the form of labour, materials, and/or money.

In recent years, the football players and coaching staff have devoted endless hours to fundraise for new goal posts, field lighting, a score board, and an announcing booth. We are excited to continue this project in support of our football players, track students, and community members who enjoy using the track for walking or running.

Over the years, our coaches have put tremendous effort into creating a team of dedicated and respectful football players who serve our community in many ways such as helping the elderly move and working various community events including setting up for an annual church

Excellence, Honour, Spirit

rummage sale. Our football team practices endless hours on this substandard field, and the current conditions increase risk of injury due to the uneven and often slippery conditions. Our players would be thrilled to have a field that better meets their needs, and one which they can feel proud to host other teams on.

Please consider this upgrade will benefit students from multiple communities, while supporting our football, track, and community recreation programs for years to come. We will be recognizing donors in a variety of ways including local newspapers, the EHS website and twitter account, school newsletters, and the Esterhazy Warriors Football Facebook page and website.

Major contributors will be recognized on signage located in a prominent location on the football field. We are grateful for any donations of any amount, and receipts will be provided for anything over \$20. Cheques should be payable to **Good Spirit School Division** and note it is for the EHS Football Field and Track project. The first 50 who donate over \$1000 get their choice of a game worn jersey or helmet from the Warriors as a keepsake.

100 for \$1000 Campaign

100 donors who contribute \$1000 will get a square on this space to display their name or 'in memory of ...' Donors can choose to donate \$250 per year for 4 years to participate in this.

Signage to Recognize Bronze to Platinum Donors

Bronze	\$2500 and up
Silver	\$5000 and up
Gold	\$10 000 and up
Platinum	\$20, 000 and up
Diamond	\$50,000 and up

If you have any questions, please don't hesitate to contact any of our members listed below or Esterhazy High School at (306) 745-6618. Thanks so much for supporting this exciting project!

Sincerely,

The EHS Football and Track Fundraising Committee
