

Hello M.C. Knoll Parents,

Welcome to M.C. Knoll School. Our organization is in place to assist the administration of M.C. Knoll School in developing policy, guidelines, and accountability for the operation of M.C. Knoll School.

We try to ensure that the experience your child has at M.C. Knoll will be a positive one filled with fun, intellectual and diverse opportunities. However, these opportunities and events require parents to volunteer, when they are able. Please find listed below a number of volunteer opportunities that exist inside of M.C. Knoll. Please indicate which activities, you are most interested in volunteering for and that fits best into your home schedule. Any and all volunteer assistance is greatly appreciated.

- S.C.C. Member** (attend S.C.C. meetings, have input regarding issues and decisions affecting M.C. Knoll operations).
- Swish Program** (distribute fluoride rinses for classrooms once per week, approx. 8:40 – 9:30 at the latest, depending on the number of people helping. No need to commit to every week, if enough volunteers would have a rotating schedule alleviating the need to be there every week).
- Assist in the **Hot Lunch Program** handing out food to class rooms
- OTHER** (assist as needed, potentially at short notice, for a variety of activities).
