**PRINCIPAL'S MESSAGE**

There were many smiling faces at school today. It feels good to be back! The beginning of a school year always marks a time of renewal. New shoes, new haircuts, new activities and new people are common at this time of year. Many of us go from care free days to routines and a schedule. There is however something truly enjoyable and comforting about that.

Over the summer months the staff of MC Knoll has spent a significant amount of time considering what is important to us at our school. We agreed that *Relationships* and *A Growth Mindset* are two words that will guide the instruction, the activities and the decisions connected to your children. We will hold your children accountable to those two words academically, socially and mentally. I would encourage you to hold my staff and I accountable to those two terms as well.

**SCHOOL COMMUNICATION PLAN**

Our school has a plan to communicate with you in the following ways.
