RE: Facility Use of GSSD Schools

The Government of Saskatchewan, based on Bill 28-207, has announced an indefinite suspension of classes for PreK-12 students beginning Friday, March 20th. We are unsure as to the length of time schools will be closed. As a preventative and proactive approach all events and user group bookings will be cancelled until further notice.

At this time, events will not be rescheduled as the length of time schools will be closed to the public is unknown. In order for GSSD to help serve you better please send an email, along with your group's name, to info@gssd.ca. You will receive a notification when schools will be open for rentals and events. Updates will also be made available on www.gssd.ca.

Thank you for your understanding as we work through this unprecedented situation.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized loop followed by a horizontal line and a wavy tail.
