

SUPPLEMENTAL LEARNING PLAN FOR HIGH SCHOOL

TRADITIONAL COURSES

MARCH 31 & ON-GOING

Any student may contact their school Administrator via email to obtain a username and password for access to online content in high school Math, Science and ELA courses

MARCH 31 - APRIL 3

School staff will contact students/families to communicate student grades in each course they are enrolled in.

School staff will determine:

- Whether or not the student is auditing a course
- Whether the student is requesting on-going summative assessment
- Whether the student is discontinuing study
- Whether there is a technology request

Audit

A course audit allows students to accept their current mark as of March 13, 2020. This allows continued access to course content without further assessment/teacher interaction

On-going Summative Assessment

This involves a student continuing their studies with on-going assessment to June 26, 2020.
Student final marks will not be lower than the mark achieved as of March 13, 2020.

Discontinuing Study

This involves a student discontinuing the learning within a course they are currently enrolled in and accepting a final mark as of March 13, 2020.

APRIL 3 – JUNE 26

Students Auditing Courses

Students will be expected to submit any outstanding work as of March 13, 2020 to ensure marks are current and up to date

Students who are auditing will be given access to online courses for independent study. (username and passwords must be obtained from your school Administrator)
Students may also join their teacher's Google Classrooms after April 6 (students are not required to submit assignments and teachers are not required to support these students through tutorials, zoom meetings, or on-going assessments)

Students Choosing Continuous Assessment

April 6-9

Students will have access to Google Classroom to begin phased in zoom sessions and online content

April 20 – JUNE 20

Students will continue learning through Google Classroom
Students will have access to teacher contact through zoom - hours will be communicated by classroom teachers

Assessment will be on-going through this time

June 20 - 26

Student final marks will be determined
(the final mark will not be lower than the mark achieved as of March 13)

Students Choosing to Discontinue Study

Students will be expected to submit any outstanding work as of March 13, 2020 to ensure marks are current and up to date

Student final marks will be determined

Students Currently Enrolled in Advance Placement Courses

March 30 – April 5

Supplemental Learning will continue with all Advanced Placement courses

April 6-9

Students will have access to Google Classroom to begin phased in zoom sessions and online content

Information regarding the assessment will be forwarded by the school
