Student of the Month

Reid Arnold

Reid Arnold is a Grade 11 student.

He promotes excellence at our school. Reid is a mature and independent student who strives to do his best both in and outside of school. His leadership is demonstrated on our school's golf team, where his team won Gold at Districts and Silver at Provincials. He is also a leader on the ice; Reid's teammates named him Captain of his Midget AA hockey team, and he is leading his team in points! Despite a full course load, Reid continues to achieve academically and maintain excellent attendance. Reid is a polite student, a supportive friend, and greets those around him with kindness.
