Alexandria Flaman

The Student of the Month for the month of September is Alex Flaman. Alex is a grade twelve student who is hardworking and always looking for ways to help out. This year she did a fabulous job helping with the organization of Friday Night Lights. It was a huge undertaking and a great success. Alex is also involved with basketball inside and outside of school. In the community she helps coach younger girls, encouraging them to continue with the Regional basketball program in the future. Meanwhile, Alex devotes her time to becoming a better basketball player herself. Alex also participated in Cross Country this fall coming second in almost every race. While she is very involved in extracurricular activities, Alex maintains a high academic average, which has not fallen below 95%. Alex demonstrates what can be achieved when you put your mind to it. Congratulations Alex!
