

NOTE: At the November, 2010 Organizational Meeting of the Board of Education, the Board approved that mileage rates would be reviewed when in excess of \$1.20/L. At the April 21, 2011 Board meeting, it was approved that the mileage rate will be reviewed on a monthly basis and set to reflect current rates. This practice will continue in the foreseeable future until pricing falls below \$1.20/L.

PLEASE ENSURE you are completing the appropriate form in relation to the travel period you are claiming for. **CHECK** at the beginning of every month for possible changes.
