It's Time to Move Some Dirt in Langenburg

The Board of Education of the Good Spirit School Division is proud to announce the official sod turning ceremony in Langenburg on Friday, December 5, 2014. Construction is set to begin in the very near future and this is our opportunity to recognize the momentous work that will soon be happening in the community.

"The Langenburg facility build has been awarded to a company new to our division, TL Penner," states Teresa Korol, Facility Manager. "My facilities team and I, including our architect aodbt, are excited to get going on this project. It will be an interesting process to watch and be a part of a new school build from scratch."

Lois Smandych, Board Chair, states, "As a board, this will be a new adventure for us. We are just so happy that Langenburg will be getting the new school building they need for their community. A tremendous amount of work has already gone into the project, both from the division and community perspective, to get us to this stage." She goes on to say, "We are honoured to have MLA Bob Bjornerud attend and take part in the sod turning ceremony. Locally, he has been a strong supporter of the school and we always appreciate when we can jointly celebrate amazing events such as this."
