To: Board of Education, Administrators, Central Office Staff
From: Quintin Robertson, Director of Education
Date: June 18, 2018
Re: Incident Involving GSSD Bus & Students

At approximately, 7:47 am on June 18, 2018, an incident occurred on the Dr. Brass/YRHS bus route.

Two students were crossing the street at a designated stop and were struck by a vehicle. Both students were transported to the Yorkton Regional Health Centre by ambulance. It was confirmed through conversations with family that both students suffered minor injuries with which the extent is unknown.

The Transportation Department arranged for pick-up of all students on the morning route; the afternoon route will be cancelled.

Support has been offered to the bus driver and we thank him for his quick response and care.
