Miller School Parents/Guardians,

RE: Boundary Change/Grade Configurations for 2022-23

During the March 3, 2022, Regular Board meeting, the Board passed a motion to approve the proposed Davison, Grayson and Miller School boundary changes and the grade configuration change at Miller School.

In the fall of 2022, the following changes will take effect:

- Grayson School's attendance boundary will:
 - Increase to include sections west and north of Killaly
- Davison School's attendance boundary will:
 - Increase to include the east side of Columbia Street and all of Jubilee Crescent
- Miller School's attendance boundary will:
 - Decrease the rural sections west and north of Killaly
 - Decrease to west side of Columbia Street (from Main St.) and the portion of Jubilee Crescent
- Miller School's grade configuration will include Kindergarten to Grade 5 (Kindergarten to Grade 6 in 2023-24)
 - Students currently in Grade 4 will remain at Miller School for Grade 5 and Grade 6

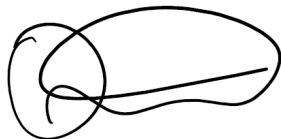

Please refer to the attached maps to see the new boundary, effective September 2022.

If your child(ren) currently attends Kindergarten to Grade 4 at Miller School but will be in the Davison attendance area in the fall, do you wish for your child(ren) to remain at Miller School? In order for the Division to make staffing and transportation preparations for the fall, please provide your intentions to Mr. Lechner **by April 15, 2022** by completing the attached form. If Mr. Lechner doesn't hear from you, he will ensure that your child is registered in the corresponding school based on where you live.

Students who will be starting Kindergarten in the fall, are asked to register at the school within the new attendance boundary by March 31, 2022.

If you have any questions, please phone the Division Office at 306-786-5500 or Miller School at 306-728-3961.

Sincerely,

Quintin Robertson
CEO/Director of Education

Please return to Miller School by Friday, April 15, 2022.
