November 13, 2020

Dear Parent/Guardian,

The correspondence dated October 26, 2020, stated that students in Grades 4/5V and 5/6ME would receive remote instruction on November 3 to 10, 2020. I am pleased to announce that Public Health has confirmed that face-to-face classes for will resume on Monday, November 16, 2020.

Upon return to school, staff and students will continue to follow the GSSD health and safety guidelines, including wearing masks or face shields, following hand hygiene practices, and physical distancing.

Though the transition to remote learning may have been challenging, overall, it was successful. I wish to thank all parents/guardians for ensuring that your child(ren) engaged in learning during these unprecedented times.

We will continue to provide additional information to parents/guardians as it is available. For further information regarding COVID-19, please call Health Line at 811 or visit the Saskatchewan Ministry of Health website at [www.saskatchewan.ca/covid19](http://www.saskatchewan.ca/covid19).
