

Creating an Edsby Parent Account

Please follow the steps below in order to create your own Edsby account. You will not be required to repeat this process after you have created your account.

You will receive an email from GSSD with instructions on how to create an Edsby account. Make sure the school office has your current email address on file.

The image displays two screenshots of the Edsby account creation process. The left screenshot shows the login options: "Login to your existing Edsby account" and "I don't have an Edsby account". An orange arrow points from the "I don't have an Edsby account" button to the right screenshot. The right screenshot shows the registration form with fields for First Name (Frazer), Last Name (Barnes), Email (fbarnes_edsby@mailinator.com), and Password (masked with asterisks). A "Create Edsby Account" button is at the bottom.
