Microsoft Teams Instructions

Microsoft Teams will be the sole video conferencing platform utilized by the Good Spirit School Division. For digital learners, this means that daily video conferencing for lessons and attendance will take place using a Teams link (rather than Zoom).

All current students of GSSD have a unique Microsoft Office 365 login ID and password that will allow them access to Teams. Student IDs are similar in format to your school Google accounts:

Email ID:firstinitiallastinitial###@gssd.ca(ex: ab123@gssd.ca)Password:home school 3-letter code, followed by 12345 (ex: ycs12345)

*Note: The password should be identical to the one used for your school Google account. If given the option to login with Microsoft Office 365 one-click sign on, use that.

ACCESSING MICROSOFT TEAMS:

You may access Microsoft Teams by downloading and using the desktop application, or by using the website application.
