

FEATURED STUDENT

KAITLYN SLINGERLAND

MARCH 2025

Kaitlyn is a Grade 5 student at Miller School. As the youngest of seven children, one might expect Kaitlyn to rely on others to do things for her. However, that is not the case. Kaitlyn is actively involved and excelling in her academics and extracurricular activities at Miller School.

We are impressed and amazed at how much Kaitlyn has grown this year. As the last Slingerland child to attend Miller School, she has taken on a leadership role, often seen helping younger students with whatever they need. Her biggest contribution is during the hectic end-of-day routine, where she regularly keeps all the Kindergarten and Grade 1 students in check and assists the staff in getting them on the correct bus. Thank you, Kaitlyn, for making life so much easier!

Kaitlyn is also very active in 4-H and participates annually in the oratory competition and is dedicated to her farm life and family.
