KERRILYN TROST

Acknowledgement of GSSD Service Commitments

May is Early Childhood Educator Month, and while we are incredibly grateful for the outstanding early childhood educators across the Good Spirit School Division, we also want to take a moment to recognize the important work of our Early Years Consultant, Kerrilyn Trost.

Kerrilyn provides invaluable support to all early years programs within our division, including Prekindergarten, Early Learning Intensive Support, Preschool and Parent Education Program, Michief Early Language Learning Program, and Kindergarten. In addition to her work within schools, she also serves as a co-chair of the Thrive to 5 Early Years Network, playing a vital role in connecting families with children aged 0–5 to the resources and supports they need to flourish.

Kerrilyn exemplifies a quiet, thoughtful, and intentional form of leadership. She is always ready to lend a listening ear, model effective instructional and assessment strategies, and even roll up her sleeves to transform a learning space alongside classroom teachers.

We sincerely thank Kerrilyn for her dedication, passion, and commitment to the early years!
