HIGH QUALITY TEACHING AND LEARNING

Seneca is a Grade 9 student at Canora Composite School who consistently sets a positive example for his peers. He is a dedicated learner, actively participating in class discussions and offering thoughtful insights. Seneca is also a strong advocate for inclusivity, often taking the initiative to educate others on respectful language and cultural awareness.

He takes pride in his heritage and is always willing to share his knowledge and experiences with the class, enriching discussions with perspectives learned from his family.

Seneca is well-liked and respected by both students and staff. He is humble, respectful, and consistently demonstrates good sportsmanship. Outside the classroom, he is actively involved in extracurricular activities including volleyball, basketball, and football, which he often travels to Yorkton to play. On the court and field, Seneca leads by example - motivating teammates, celebrating their successes, and encouraging them through challenges.
