

November 17, 2021

Dear Langenburg Central School Families,

With the increasing number of positive COVID-19 cases connected to the Grade 3 class at Langenburg Central School, Good Spirit School Division has made the decision, with the support from Public Health, to move to remote instruction for the Grade 3 class.

To provide time for staff to prepare for remote learning, **classes for Grade 3 will be cancelled on Thursday, November 18, 2021. Mandatory remote instruction will occur for the Grade 3 students beginning on Friday, November 19, 2021, to Thursday, November 25, 2021.** Tentative face-to face instruction will resume on Friday, November 26, 2021.

**Prekindergarten to Grade 2 and Grade 4 to 12 classes will continue as usual.**

GSSD will have a review meeting with Langenburg Central School Administration and Public Health on Thursday, November 25, 2021; further communication will be provided at the end of the day on Thursday.

If your child is a close contact to the case, a letter for the class will be forthcoming from Public Health. All students and staff who have been deemed a close contact to confirmed cases must follow Public Health directives.

The SHA would like our help with continuing to do our part in stopping the spread of COVID-19 by following Provincial regulations and encouraging all students and staff to remain at home when showing the slightest symptom of COVID-19. **Public Health is asking that individuals who test positive on a self-test are to self-isolate and have the result confirmed through a PCR test with Public Health.** There is a drive-thru testing site available at 276 Myrtle Avenue in Yorkton; it is open every day from 8:30 am to 3:45 pm.

This decision was made with good intentions in mind...to keep students and staff safe and healthy.

Sincerely,

Quintin Robertson
