

English 100 / ELA B30 Dual Credit Opportunity

GSSD students once again will have the opportunity to enrol in a dual credit course through the Parkland College in which they will receive the ELA B30 credit as well as the English 100 credit from the University of Regina. The students will be responsible for the cost of tuition which is approximately \$600.00.

The course will be available semester two of the 2018-19 Academic Year. This will be the third year that this option will be provided to students.

Course Format:

Similar to other online courses provided by GSSD Distributed Learning, the course will be delivered through Moodle. However, there will be a live component over 3 noon hours which the students may access through a web conference link. Assignments will be delivered and submitted through Moodle. The course runs from the beginning of February until mid May.
