

Appendix B: Apprenticeship Policy Questions and Answers

Q. In order to receive the Apprenticeship Credit, do the hours need to be submitted to the Saskatchewan Apprenticeship Skills and Trade Certification Commission (SATCC)?

A. No, the hours do not need to be submitted to SATCC for secondary Apprenticeship Credit recognition. However, if the student wishes to pursue a career in the trades, the hours may be submitted and this prior learning and work experience may reduce the amount of time apprentices must work to complete their apprenticeship. Students should document trade time worked on a Form 6A while participating in Apprenticeship 20 and 30. This documentation is then submitted to the SATCC for assessment when the student registers as an apprentice in a designated trade. The documented trade time must be within the scope of the designated trade.

Q. Does the supervisor have to be a journeyperson?

A. Yes, the supervisor must be a certified journeyperson for the student to earn an Apprenticeship Credit. The establishment of the Apprenticeship Credit option was founded on the tenet of apprenticeship which is a structured system of supervised training that can lead to certification in one of Saskatchewan's designated trades.

Q. Can you earn the credit over the summer?

A. Yes, credits can be earned over the summer, however, the personalized learning proposal must be completed and approved prior to the student beginning the work towards the credit.
